

Untemperierte Gitarre Nr. 10

Untempered Guitar No. 10

(Guitar Sanjo)

Bei diesem Stück werden die 1. und 2. Saite auf 33 Cent (quasi einen Sechstelton) erhöhten C und F gestimmt.
Die tiefe E-Saite wird runter auf das Kontra-A gestimmt

*For this Study, the 1st and 2nd string need to be tuned to the 31 cent (quasi sixth tone) raised C and F.
The 6th string must be tuned down to the A1.*
